Bachelorproject 2019

Rasmus og Roald

March 5, 2019

1 Introduction

1.1 Motivation

1.2 Proteins

1.2.1 What is

1.2.2 Secondary Structures

1.2.3 Solvent accessible surface area

1.3 Methods

1.3.1 Neural networks

1.3.2 Convolutional neural networks

1.3.3 Multitask learning

2 Methods

3   Results

4   Conclusion

5   Appendix
